# Looking for something to do this summer?

Their Job

On your feet all day making lattes.

Our Job

On your feet all day making a difference!

***You never forget someone who makes a difference in your life.***

Working in Recreation provides an opportunity for you to have a great summer experience and make money, too. Take day trips to fun places, develop career and leadership skills, and most importantly, have a positive effect on a young person's life. Your experience as a program leader can give you the skills you need for your long-term career prospects. Whether you want to work for a corporation, a nonprofit organization, or a government agency, a summer recreation job is a fun way to make a difference.

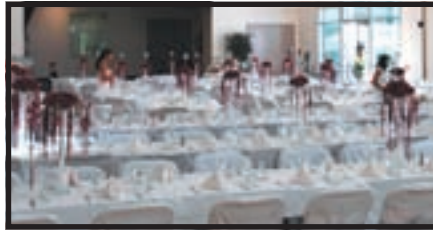

***Be that someone.***

## SAVE SOME GREEN

When you rent a room at the Sunnyvale Community Center, you're supporting an environmentally conscientious program.

We have been recognized by the Santa Clara County Board of Supervisors for achieving Green Business certification in 2006. In receiving the certification, the Community Center exemplified the City's commitment to the environment through activities such as:

-  Reducing pollution by using environmentally-friendly cleaning products and integrated pest management practices.
-  Having an extensive recycling program in place.
-  Conserving energy with energy-saving lamps, LED exit signs and energy-saving office equipment.
-  Conserving water through drought-tolerant landscaping and a water-efficient irrigation system.
-  Using recycled paper products: envelopes, business cards and toilet paper.

The City continues to view environmental responsibility as an important goal, and hopes to achieve certification for additional City facilities in the future.

We have accommodations to fit almost every need; from small meeting rooms and picnic areas that can be enjoyed by as few as 15 people, to state-of-the-art, internet-ready conference rooms that can seat 300 guests or clients. You can hold your company meeting in our 200 seat Theater, your team building session in our Sports Center, or have your wedding reception in one of our fully-equipped banquet facilities—the possibilities are limitless.

Call today for more information, (408) 730-7751.

**HOW TO REGISTER . . . Page 54**

## Welcome to Sunnyvale Splash ...

... the City of Sunnyvale's Aquatics Program. We offer activities for the whole family—youth and adult swim lessons, and recreational swim.

## Questions & Answers

### *What level do I register my child for?*

Read the descriptions provided in the **SWIM SKILL LEVELS** column at the right, and register your child for the class that sounds most like his or her level. If your child is an otter, seal or dolphin, you just need to register for Beginners. We'll test each child in the beginners class on the first day and then split them up according to level (otter, seals and dolphins). We do not test the more advanced swimmers. If you feel that your child is in the wrong class, please let the Pool Manager know so he or she can test your child for the proper level.

### *What is the child to instructor ratio?*

In our beginning classes (otters, seals and dolphins) the ratio is generally 6 to 1. In Level 3 and higher, the ratio is 8 to 1.

### *Does the pool close if it starts raining?*

Generally, no. We will continue to hold swim lessons. We will continue to hold recreation swim if a substantial number of patrons stay in the pool. If there are only a few pool users during inclement weather, the Pool Manager may close the facility early. We will close the facility if there is lightning.

### *If my child misses a swim lesson because he is sick or she is out of town, can they have a make-up class?*

Unfortunately, we are not able to offer make-up lessons within our class structure.

### *How warm is the pool?*

All four facilities in Sunnyvale are outdoor pools. They are heated to approximately 80-82° F. Although the outside air temperature may make it seem cooler, the pool temperature is consistently maintained regardless of the weather.

### *Can I request a specific instructor for my child's lesson?*

We cannot accommodate specific requests for instructors. The instructors rotate between levels and times. The Pool Manager does not know who will be teaching each class until the first day of the class.

## SWIM SKILL LEVELS

### Parent & Tot

Parent & Tot, the first level in our learn-to-swim program, are loosely structured classes, offering parents and children the opportunity to explore being in the water and becoming comfortable in a pool. Parents must stay in the water with children. The instructor presents daily skills and techniques for parents to use with their children.

### Advanced Parent & Tot

These classes are for toddlers who already feel comfortable and enjoy being in the water. These classes are more structured than the Parent & Tot classes and give parents a chance to work with their child on actual swimming skills. Parents must stay in the water with children. Children at this level must be able to willingly get their face wet and be ready to float unassisted. Previous participation in Parent & Tot class is required.

### Beginner—Ages 4-16 (Levels 1-2)

- **Otters:** No swimming experience is necessary. Otters work on assisted front floats, back floats, and submerging for objects. Arm and leg actions for front crawl will be introduced, and water safety and pool rules will be discussed.
- **Seals:** These swimmers will work on unassisted front and back floats. Explorations of deep water, gliding, flutter kicking, and rhythmic breathing will also be the emphasis in Seals.
- **Dolphins:** These swimmers will begin to combine rhythmic breathing, arm motion, and kicking. Treading water, survival floating, and independent entry to the water will also be practiced in Dolphins.

### Level 3 - Stroke Development

This level is designed to develop and improve coordination and stamina in the front crawl and back crawl. The body motion and kick associated with butterfly will also be introduced in this level. Students should have passed Dolphins (Level 2) to enroll.

### Level 4 - Stroke Improvement

An advanced course designed to improve front crawl, back crawl, and butterfly. Elementary backstroke, breaststroke, and open turns will be introduced and practiced. Students should have passed Level 3 to enroll.

### Level 5 - Stroke Refinement

Endurance and stroke refinement is the emphasis in Level 5. Sidestroke, flips turns, and shallow diving will be introduced to familiarize students with survival swimming and competitive swimming. Students should have passed Level 4 to enroll.

### Level 6 - Fitness Swimmer

To refine strokes so students swim with more ease, efficiency, power, and smoothness over greater distances. Training techniques, principles, and equipment will be introduced to students in order to gain a better understanding of swimming for fitness. Students should have passed Level 5 to enroll.

### ***What if I am not happy with the program?***

Please let the Pool Manager know right away. The Manager will try to resolve whatever might be the problem. The City of Sunnyvale has a refund policy which is explained on the registration page at the back of this guide.

### ***How old do children have to be to swim by themselves at Recreation Swim?***

Each child 5 and under must be accompanied into the pool by an adult. Children 6 and older may enter the pool by themselves, however, we strongly advise that all parents closely monitor their child's activities in the pool, regardless of the child's age. This is especially true for beginner swimmers.

### ***Can my child wear a t-shirt in the pool?***

For the safety of your child, and the maintenance of our pool, t-shirts and other street clothes are not allowed in the pool.

### ***What if I registered my child for the wrong level?***

We will try to find an open class in the right level for your child. However, this may require that you switch times or pools. We will work with you to try and find the best solution for you and your child.

### ***Why does my child have to listen to safety skills each session?***

Water safety instruction is an important facet of our learn-to-swim program. Our program is based on the Red Cross learn-to-swim program which requires instruction in water safety for each level of class. Although some students will hear the same information each time they take the same level class, we strongly believe that you can never have too much safety information.

### ***What if my child passes Level 3 and I have registered him or her for the whole summer in that level?***

Please let the Pool Manager know before you leave the pool that day. The Manager will work with you to find a class to transfer your child into. However, transfers are not automatic. You must initiate it with the Pool Manager. In the event that we cannot find a suitable class for your child, he or she can either take the class that she is registered for again, or you may request a refund.

### ***Are lockers and showers available?***

Yes, there are locker room facilities at each pool. Patrons must supply their own locks. Showers are available for your use.

### ***Are there any health restrictions?***

Persons suffering from infections or contagious disease and illnesses are not permitted in the pool or locker room areas.

### ***Can we bring a picnic to the pool?***

Food and drinks are not permitted in the pool area. However, all of the pools are located in parks that are ideal for a picnic. We ask that you do not bring food, drinks, glass, sharp objects or tobacco products into the pool area.

### ***What classes are there for my older child to take after he has mastered the skills of Level 6?***

Guard Start and Water Polo are options once your child has acquired Level 6 swimming skills.

### ***Will the class get to go on the Diving Board?***

Friday of each session is Diving Board Day and every class will have the opportunity to jump off the board on that day. However, children who are not comfortable with this skill will not be required to go if they don't want to.

### ***Where do I register for swim lessons?***

Registration will be held at the Community Center through June 15. Refunds and transfers during this time may be requested at the Community Center. Beginning June 19, all registration will be handled at the individual pool sites during swim lesson times. No class registration, transfers or refunds will be processed at the Community

Center. After June 19, please call the pool to find out registration times at each of the facilities.

### ***Where are the pools in Sunnyvale?***

The City of Sunnyvale operates five pools:

- Columbia Park Pool  
730 Morse Avenue  
**CLOSED FOR SCHOOL CONSTRUCTION**  
(408) 739-0852
- Sunnyvale Middle School Pool

### ***What can I do to make swimming a safer experience for my child?***

We strongly recommend that all parents and caregivers be certified in Community First Aid and CPR. This course is offered by the American Red Cross and teaches you what to do in an emergency.

### ***How do I recognize an instructor for doing a great job?***

Please ask a Pool Manager for a "We Want to Hear from You" form. We'd love to hear all about it!

## Sports Camps

### Skyhawks Baseball Camp (5-12years)

This exciting camp teaches skills required for success in youth baseball. Older players will use hard bats and balls. Skyhawks has found that, for our younger participants, the use of safety bats and balls helps to strengthen the spirit and pace of the game, while maintaining safety. Participant-to-coach ratio is approximately 10:1. Participants will receive: a baseball, T-shirt and a Merit Award filled out by their coach.

**Instructor:** Skyhawks

**Location:** Cupertino Middle

### Mike Allen's Fun Tyme Basketball (8-14years)

This is not your ordinary Summer Basketball Camp. After playing professional basketball around the world (XBA, USBL, and the Harlem Ambassadors Show), Mike Allen brings you a camp that has brought kids to new heights filled with lots of fun. It is designed for the player who has an interest in playing at the school level or in a local league. We will focus on the fundamentals of the game and will include both strength and conditioning, as well as offensive and defensive strategies. In this co-ed camp, boys will guard boys and girls will guard girls, and participants will be divided by age. The final day of camp will end with Fun Tyme Sports Challenges where players can win prizes. Each participant will receive an official camper notebook, certificate, and evaluation.

**Instructor:** Fun Tyme Sports Academy

## Technical Theater Camp (11-14years)

Go behind the scenes! Participants in this camp experience all the fun and camaraderie of working on the technical staff of a musical theater show, from designing scenery to stage managing to running the light board. Students learn about all the backstage jobs on a theater production and practice teamwork skills as they help turn a script into a fully staged production. This camp is great for both experienced techies and first-timers. On the final day of camp, participants serve as crew for Musical Theater Camp's performance. Students must have completed fifth grade. Wear clothes you can get messy in, and long hair should be pulled back. Bring a snack that does not need to be refrigerated. *No refunds after 6/1/07.*

### Important Information About Our Dance Classes

#### GIRLS' ATTIRE

- Leotard and tights are required for pre-ballet, ballet, tap, combo and any class that includes ballet or tap.
- Unitards or bike shorts are acceptable for jazz classes.
- For classes beginning in May and November, which culminate in a semi-formal demonstration, specific-colored leotards are required. A pink leotard is required for 4-5 classes and younger; a black leotard is required for 5-6 classes and older.

#### BOYS' ATTIRE

- Solid-colored T-shirt and shorts or sweatpants are acceptable for all classes.

#### SHOES

- For safety reasons, all students are required to wear shoes appropriate for each class. Students will not be allowed to participate without proper shoes.
- Ballet shoes with leather soles are required for pre-ballet, ballet, combo, any combination class that includes ballet, and Me & My Shadow students. Ballet-style bedroom slippers are not acceptable. Tap shoes are required for tap, combo and any class that includes tap. Jazz shoes are required for any class that includes jazz.
- For a list of South Bay stores which carry dance shoes, call the performing arts coordinator at (408) 730-7725.

#### PARENT OBSERVATIONS

- Parents are welcome to observe the final class meeting of each term. Unless specifically allowed in the class description, parents are not permitted in the studio during class. We encourage parents to wait in the Dance Studio Lobby, particularly if they are concerned that their child may experience separation anxiety. Young children who become agitated will be brought to sit with their parent or caregiver in the lobby until they are ready to return to class.

## Music Together (birth-4years)

This fun parent-child music appreciation class encourages families to make music at home and helps develop music skills in very young children. Parents and children sing songs of many cultures, chant, clap, dance and play with percussion instruments such as tambourines, drums, bells and castanets. Through guided musical play, children learn to imitate tonal patterns and rhythms, and parents discover how best to encourage musical development, based on their own child's learning style. Non-refundable materials fee of \$39 includes professionally recorded CD and cassette with 25 songs used in class, illustrated song book, Parents Guide to Music Development booklet and Music Together newsletter.

### Ice Skating Parent & Child (3-5years)

This is a fun experience for a parent and child to learn to ice skate together. Classes are geared to the child's level, so parents will learn quickly in these six week courses. Children must be between 3-5 years old. Cost includes skate rental for both parent and child, a 30 minute lesson from 10:00-10:30AM and practice from 10:30-11:00AM. Be sure to dress warmly, wear gloves and thick socks.

\* We love our parents, but...with your child's best interest in mind, we ask that parents not remain in the gym after the class begins. Our instructors have found that the quality of instruction is often affected by parent and sibling distractions and interruptions. We feel it is most beneficial for children to have the recreational time with their peers. Also, in order to provide the best learning environment, children must be toilet-trained. Thank you for your cooperation.

## Kidz Love Soccer Mommy/Daddy & Me (2-3.5years)

Introduce yourself and your toddler to the "World's Most Popular Game!" As you and your child participate in our fun, age appropriate activities, your child will be developing his/her large motor skills and socialization skills. Various activities designed around the game of soccer will be played each week. The fun happens on the field, and in Mommy/Daddy & Me Soccer you won't have to watch from the sidelines. Note: During questionable weather, please call 1-800-871-2275 one-half hour before classes (or by 6 PM) for class information.

## Kidz Love Soccer (3.5-5years)

These classes offer a non-competitive environment for children to learn and play the "World's Most Popular Sport." Children will learn different skills according to age. We encourage large motor development through soccer skills and introduce small children to a group setting. They will learn basic techniques of the game and build self-esteem. Small sided soccer games will be played at every class. Shin guards are required after the first meeting. Note: During questionable weather, please call 1-800-871-2275 one-half hour before classes (or by 6 PM) for class information.
